TITLE: CLINICAL CLEARANCE

POLICY: Clinical Clearance is required for a student to participate in a required clinical experience. Any lapse in Clinical Clearance may result in the student being dropped from courses.

RATIONALE: For the health and safety of nursing students and the patients encountered in the nursing program, the FSU College of Nursing and participating agencies require current documentation of CPR, health insurance, health status and currency in immunizations. Clinical Clearance will be issued when all documentation is complete.

PROCEDURE:

For All Students Enrolled in College of Nursing Programs:

1. It is the responsibility of each student to provide documentation for the following and upload this documentation to your clinical clearance account.
   - **College of Nursing Immunization Form**
     All students must provide proof of the following immunizations or titer results upon admission to the College of Nursing: polio, diphtheria, tetanus, MMR (measles, mumps, rubella), varicella (chickenpox), hepatitis B series. *(See Attachment #1 – Policy on Health Examination and Immunizations)*
   - **TB/PPD Test Results**
     All students must provide proof of a negative PPD test upon admission to the College of Nursing, which must be updated annually. *(See Attachment #1 – Policy on Health Examination and Immunizations)* Students who have positive results must provide documentation from a health care provider and submit an annual review of symptoms. *(See Attachment #2 – Positive PPD Test Results – Tuberculosis Symptom Questionnaire)*
   - **Influenza Vaccine**
     All students must provide documentation on having a current seasonal Influenza Vaccine during Fall Semester. For those students who cannot receive the flu vaccine documentation must be submitted from a healthcare provider explaining reason for not take the immunization and alternate clinical placement may be required. If an alternate clinical placement is not available, the student may not be able to progress in the nursing major.
   - **Essential Functions / Technical Standards Required of Nursing Students Form**
     All students have a complete physical examination and have an appropriate healthcare provider sign off on this form upon admission to the College of Nursing. *(See Attachments #3 and #4)* If you believe that you cannot meet one or more of the standards listed without accommodations or modifications, it is your responsibility to request appropriate assistance and guidance from the faculty and/or college administration *(See College of Nursing Policy S-3)*. It will be determined, on an individual basis, whether the necessary accommodations or modifications can be made reasonably.
   - **CPR Certification**
     All students must provide proof of CPR certification upon admission to the College of Nursing, which must be updated upon expiration. A copy of the certification card that includes expiration date must be uploaded to your clinical clearance account.
   - **Criminal History Background Check**
     All students must submit to a FDLE/FBI Level II Background Check upon admission to the College of Nursing, as well as a Certified Background Review, which includes the Patriot Act, Social Security Alert, Sex Offender Index, Employment Verification, Nationwide Healthcare Fraud & Abuse Scan, Residence History, Local Criminal Check based on county of residence for last 7 years. *(See College of Nursing Student Policy #S-2 – Criminal Background Check).*
- **Affidavit of Good Moral Character**
  All students must submit this notarized form on an annual basis following the initial background screenings. *(See Attachment #5)*

- **Personal Health Insurance**
  All students must provide proof of personal health insurance coverage upon admission to the program.

- **10 Panel Drug Screen**
  All students must submit to a 10-panel drug urinalysis screening. *(See College of Nursing Student Policy #S-5 – Substance Abuse)*

- **Current unencumbered Florida RN License**
  Students enrolled in the graduate nursing program must provide proof of a current unencumbered Florida Registered Nurse license prior to enrollment in the program. Licensure must be active and unencumbered throughout enrollment in the nursing program.

2. This documentation must be on file and current to obtain clinical clearance. It is the responsibility of the student to provide updated information and to obtain clinical clearance prior to enrollment in a clinical course. It is the responsibility of each student to upload all documentation to your clinical clearance account.

3. Undergraduate nursing students must satisfactorily complete required Drug Math Tests and Clinical Skills Testing *(See College of Nursing Undergraduate Policy U-8 and U-9)*.

4. Students may be requested by a faculty member or clinical agency to provide evidence of clinical clearance in order for a student to participate in a required clinical experience.

The Florida State University College of Nursing (CON) guidelines for health examination and immunizations are based on the recommendations of the Center for Disease Control and State of Florida guidelines for the adult in a health-related occupation.

Prior to your first term of enrollment, nursing students are required to submit a completed medical examination including evidence of the following immunizations

**REQUIRED IMMUNIZATIONS**

**Diphtheria, Pertussis & Tetanus**
- Complete primary DTaP series (3 doses) with Tdap or Td booster within 10 years.

**Measles (Rubeola)**
- Two (2) immunizations with live measles (Rubeola) virus vaccine administered at least 30 days apart dated after 1967, and on or after the first birthday; or
- Positive Rubeola titer (blood test) proving immunity; or
- Statement by a physician on his/her stationary which specifies the date seen and states VERBATIM the person has had an illness “characterized by a general rash lasting three (3) or more days, a fever of 101 degrees Fahrenheit or greater, a cough and conjunctivitis, and, in the physician’s opinion, is diagnosed to have had the ten-day measles (Rubeola)”.

**Rubella (German Measles)**
- Live Rubella virus vaccine, dated after 1967, and on or after the first birthday; or
- Positive Rubella titer (blood test) proving immunity.

**Mumps**
- Live Mumps virus vaccine, on or after the first birthday; or
- Positive Mumps titer (blood test) proving immunity.

Students with a birth date prior to 1/1/57 are exempt from the Measles, Mumps, Rubella (MMR) requirement.

**Hepatitis B**
- Series of three (3) intra-muscular injections: second and third doses given one (1) and six (6) months after the first injection. Students enrolling in the program must have at least one injection by the first day of classes; or
- Positive hepatitis B titer (blood test) proving immunity.

**Tuberculin Skin Test (Mantoux)**
- Based on the recommendations from the CDC and the Florida Department of Health, the student must have skin test using the two-step Mantoux tuberculin skin test method. This testing must be completed prior to entry into the major. This two-step method is recommended for healthcare workers who will retested periodically. This method is used to reduce the likelihood that a boosted reaction will be misinterpreted as a recent infection.

If the initial skin test is negative after reading by a trained health care worker, a second test is done 1 to 3 weeks later. Documentation of both tests must be in millimeters and provided to the CoN.

While enrolled in the program, students with a negative skin test must have an annual skin test. Documentation must be provided to the College of Nursing.

Those students who have a positive skin test must provide documentation from the health care provider. The Positive PPD Test Results – Tuberculosis Symptom Questionnaire must be completed with the results placed in the student’s records.

**Varicella (Chicken pox)**
- Varicella titer (blood test) proving immunity (required for TMH NICU) or
- Date of both #1 and #2 Varicella vaccine
Influenza  Flu immunization is required each year. Seasonal Influenza vaccines are available in the fall of the year. A student may obtain the immunization through the FSU Student Health Services. Additionally, the College of Nursing participates in flu clinics throughout the campus and students are able to obtain this immunization at that time. If you are unable to receive the Influenza Vaccine then documentation is required from a health care provider regarding reason for not receiving immunization, and alternate clinical placement may be required. If an alternate clinical placement is not available, the student may not be able to progress in the nursing major.

RECOMMENDED IMMUNIZATIONS

Meningococcal  “Young adults between the ages of 17-24 are at increased risk of developing a severe form of bacterial meningitis called meningococcal meningitis. The American College Health Association and the Centers for Disease Control (CDC) recommend that students consider getting the meningitis vaccine. This bacterial infection, although rare, may cause severe neurologic impairment, partial loss of limbs, or even death (10-13% MORTALITY RATE). Freshmen living in residence halls, bar patronage, and exposure to alcohol and cigarette smoke further increase the risk of infection within this age group. The incidence in young adults is one case per 100,000. For freshmen living in residence halls, it is 3.8 or more per 100,000.

There are five different subtypes (called Serogroups) of the bacterium that causes meningococcal meningitis (Serogroups A, B, C, Y, and W-135). The current vaccine does not stimulate protective antibodies to Serogroup B, but does against the remaining four types. In the past, Serogroup B caused about 50% of the cases of meningococcal meningitis in the U.S. but more recently, it has decreased to about 27% or less, making vaccination more protective. The vaccine is estimated to protect for 10 years or longer and is safe.” (Thagard Student Health Center, May, 2007)

Documentation is required of the vaccine received with date or documented decline of the vaccine with date on the Health Exam Form.

All Health Examination and Immunization information is due by the deadline defined by each program. Additional information may be submitted to:

### Motor Skills

Psychomotor ability necessary to perform or assist with procedures, treatments, administration of medications and emergency interventions

Sit, walk and stand without an assistive device on a daily basis whether in a classroom, clinical or volunteer setting (on-campus clinical simulation laboratory or off-campus clinical client care areas)

Examples of relevant activities include, but are not limited to:

- Ability to stand and/or sit for long periods of time; walking without the use of a cane, walker, cast, walking boots or crutches. Arms must be free of cast and other assistive devices. Be able to bend, squat, reach, kneel, balance, and move all extremities quickly.
- Carry and lift loads from the floor, lifting loads 12 inches from the floor to shoulder height and overhead. Occasionally lifting 50 pounds, frequently lifting 25 pounds, and regularly lifting 10 pounds.

### Auditory, Olfactory, Visual and Tactile Senses

Must have auditory, olfactory, visual and tactile acuity skills sufficient to monitor, assess, and respond to the client’s health care needs

Examples of relevant and necessary sensory skills include, but are not limited to:

- Sufficient use of tactile, auditory, visual, and olfactory senses to provide client care and make appropriate assessments.

I hereby certify that the above named student has been examined by me on _______/________/________ and is found to be in good physical and mental health, is free of communicable diseases and appears able to undertake all aspects of the nursing education program at Florida State University, including the essential functions required of nursing students.

AFFIDAVIT OF GOOD MORAL CHARACTER

State of Florida  County of ________________________________

Before me this day personally appeared ______________________ who, being duly sworn, deposes and says:

I am an applicant for employment as a caretaker (or similar position requiring level 2 screening under Chapter 435, Florida Statutes), or I am currently employed as a caretaker with:

________________________________________________________________________

By signing this form, I am swearing or affirming that I have not been found guilty or entered a plea of guilty or nolo contendere (no contest), regardless of the adjudication, to any of the following charges under the provisions of the Florida Statutes or under any similar statute of another jurisdiction. I also attest that I do not have a delinquency record that is similar to any of these offenses.

I understand I must acknowledge the existence of any criminal records relating to the following list regardless of whether or not those records have been sealed or expunged. I understand that I am also obligated to notify my employer of any possible disqualifying offenses that may occur while employed in a position subject to background screening under Chapter 435, Florida Statutes.

Relating to:

Sections: 393.135 relating to sexual misconduct with certain developmentally disabled clients
          394.4593 relating to sexual misconduct with certain mental Health patients
          415.111 adult abuse, neglect, or exploitation of aged persons or disabled adults
          741.30 domestic violence and injunction for protection (defined in 741.28) means any assault, aggravated assault, battery, aggravated battery, sexual assault, sexual battery, stalking, aggravated stalking, kidnapping, false imprisonment, etc. of a family or household member
          782.04 murder
          782.07 manslaughter, aggravated manslaughter of an elderly person or disabled adult, or aggravated manslaughter of a child
          782.0701 vehicular homicide
          782.09 killing an unborn child by injury to the mother
          784.011 assault, if the victim of offense was a minor
          784.021 aggravated assault
          784.03 battery, if the victim of offense was a minor
          784.045 aggravated battery
          784.075 battery on a detention or commitment facility staff
          787.01 kidnapping
          787.02 false imprisonment
          787.04(2) taking, enticing, or removing a child beyond the state limits with criminal intent pending custody proceedings
          787.04(3) carrying a child beyond the state lines with criminal intent to avoid producing a child at a custody hearing or delivering the child to the designated person
          790.115(1) exhibiting firearms or weapons within 1,000 feet of a school
          790.115(2)(b) possessing an electric weapon or device, destructive device, or other weapon on school property
          794.011 sexual battery
          794.041 prohibited acts of persons in familial or custodial authority (former)

Chapter: 796 prostitution
          798.02 lewd and lascivious behavior
          800 lewdness and indecent exposure
          806.01 arson
          812 felony theft and/or robbery and related crimes, if a felony
          817.563 fraudulent sale of controlled substances, if the offense was a felony
          825.102 abuse, aggravated abuse, or neglect of disabled adults or elderly persons
          825.1025 sexual abuse, sexual assault, or child abuse or neglect of a child
          825.103 exploiting of disabled adults or elderly persons, if the offense was a felony
          826.04 incest
          827.03 child abuse, aggravated child abuse, or neglect of a child

CONTINUED ON NEXT PAGE
827.04 contributing to the delinquency or dependency of a child
827.05 negligent treatment of children
827.071 sexual performance by a child
843.01 resisting arrest with violence
843.026 depriving an officer means of protection or communication
843.12 aiding in an escape
843.13 aiding in the escape of juvenile inmates in correctional institution
Chapter: 847
Section: 874.05(1) encouraging or recruiting another to join a criminal gang
Chapter: 893 drug abuse prevention and control only if the offense was a felony or if any other person involved in the offense was a minor
